From the Desk of Laura Barnett

THANK YOU!

We cannot thank you enough for all of the wonderful food, cards, flowers and recognition given to our staff by our amazing families during Staff Appreciation Week! We hope you know how much this means to all of us. It has been both an exceedingly rewarding and a challenging year for all of us. We thank all of you for your continued support and help over the past year. It has made all the difference!

Spanish

As many of you have heard, we will no longer be teaching Spanish at the elementary level. A decision was made at the System level that we would begin all of our world language offerings at the 5th grade level. As we looked at aligning all of our foreign language classes, it

was felt that we should begin all of our language exploratories at the middle school level.

The hardest part of this decision is to have to say good-bye to Mrs. Flannery-Bosin. She has done a wonderful job of working with students from 4K through 4th grade. Over the past number of years, she has brought a love of students and an excitement to her teaching of Spanish that has been appreciated by all. We wish her all the best in her future employment and want her to know that we will miss her presence in the classroom!

Talent Show

We will be holding a remote talent show again this year. As Mrs. Welch and I looked at how to do this in a reasonable way, we realized that having you make a video of your

child's talent offering would be the easiest way to accomplish this.

We are hoping to have a good number of students participate in this fun event. While we have some entries, we can really use more! So get those phones out and record your child's dance moves, songs, magic tricks or other talents to share with the school. Why not make it a family affair? Do a family sing-along, show off your dog's best tricks, or put together some fun act to record for Talent Show Day.

As always, please be sure that any song chosen has school appropriate lyrics. If you are wondering about any song, please contact Mrs. Welch, who gives final approval of lyrics.

We can't wait to see what you come up with!

Field Day—June 1

We are not able to go to Bay Beach or our other outside-of-school places due to Covid this year. Because of this, we will be holding a day of fun right here on campus. Mr. Yates has set up a Field Day for

all students to enjoy. This day will include games in the gym and outdoors, a picnic lunch and a movie. All students, Preschool through 4th Grade, will participate. It is a casual day, so be sure that your

child is wearing clothing that is appropriate for active play!

Talent Show 2021 - "The Show Will Go On"

While we can't be together for our live annual talent show this year, we don't want to skip it, so we're having a Virtual Talent Show again this year!

Be creative! The whole family could join in - even family pets!

Email Mrs. Welch if you plan to submit an act for the show
dwelch@xaviercatholicschools.org

A few guidelines for your act -

- Only one act per child or family (if you have more than one child and they each want to do their own act, that's fine)
 - Keep your performance to 3 minutes or less
 -
- Be careful about the lyrics in whatever song you choose - be sure they're "school appropriate"
 -
 - At the start of your video, describe your act

Send a video of your performance to Mrs. Welch
dwelch@xaviercatholicschools.org

All videos must be received by May 21st

Contact Mrs. Welch with any questions.

We can't wait to see your performances!!
