invites the residents of Downers Grove to participate
in our community-wide reading initiative:

ONE BOOK, ONE TOWN

EQDG invites you to join us in a community reading event and conversation. In partnership with the Downers Grove Public Library, we have selected a book that promotes empathy and inclusion. Our hope is to inspire a productive dialogue and to discover the commonalities that unite us as a strong, caring, dynamic community.

The book we have chosen for this initiative is ***Answers in the Pages*** by David Levithan.

"Interweaving three connected storylines, David Levithan delivers a bold, fun, and timely story about taking action, being brave, and standing up for what's right."

**Book discussions will take place
around Downers Grove
the week of:**

April 10-16, 2023
