

Dear Congregants,

We have some exciting news for everyone. We are now officially enrolled in an online scrip program which will allow everyone to financially benefit Congregation Beth Shalom simply by doing what we all do every day: Shop For Stuff

We are now part of the ShopWithScrip system. You can read all about the program by perusing shopwithscrip.com.

It is so easy to get started.

Step 1: Go to <https://shop.shopwithscrip.com/Login/Enroll>

Step 2: Enter our unique enrollment code: 748F141C63L9

Step 3: Follow the on-screen instructions to enroll

You are done!!

Once you register you can order physical gift cards for your favorite merchants both local and online. Payment is easy with PrestoPay which links your bank account to the payment system. To setup PrestoPay:

Step 1: Login

Step 2: Go to the Dashboard

Step 3: Look in the middle of the page for the PrestoPay link

Step 3: Follow the simple instructions to link your bank account

It will take a day or two for that setup to complete so please plan accordingly.

You are now ready to shop. Please keep in mind you will initially be ordering physical gift cards. Those cards will be sent to the synagogue for pickup. Once ordered, the cards can be reloaded (ScripNow and ReloadNow options). You can read more about that on the website and we will publish another update in July with more details.

Click the Shop link on top or click here:

<https://shop.shopwithscrip.com/Shop/Product/Browse#?saved>

You can browse your favorite brands or, for example, you can click the ExpressOrder tab and enter Amazon (for example) and order gift cards for shopping online.

Click the Dashboard button on the top of any page:

<https://shop.shopwithscrip.com/Account/Dashboard>

You have the power to register your family and control the purchases of others in your family. You can create shopping lists as well. The Family Guide (how to) is here:

https://shop.shopwithscrip.com/N2Upload/promo_tools/user_guides/sws_family_user_guide.pdf

PLEASE get online and enroll today and have a great summer!!

Thank you,
Gregg Yedwab
VP of Development
