

Women's Wellness Retreat

October 9-13, 2019

Near Emerald Isle, N.C.

Susan will take 8 guests to the new "Tranquilla" retreat house in Swansboro, N.C. to experience health and wellness near the ocean! This experience is designed to take you away from the stress and demand of daily living and allow you to decompress, reflect, and renew while eating healthy, exercising, and exploring new environments.

The retreat setting is quiet, calm, cozy, warm, and casual. You will have opportunities to practice Yoga and Pilates daily and participate in Susan's custom designed "BBalanced" program each morning. Excursions are planned to Bear Island (at the Hammocks Beach Park) and the Croatan National Forest; there will be lots of movement and activity as well as opportunities for relaxation. Therapy services will also be available.
