## Sign Up Now to Attend This Event

Panelists will share their stories on finding career paths and the lessons they have learned as women in the Information Technology field. While every career path is different, much can be learned from the journey of others. Southside Virginia Community College hopes to inspire women to consider career paths that exist in the Information Technology and Computer Science industry.

**CAREERS INCLUDE: DATACENTER TECHNICIAN - COMPUTER SUPPORT SPECIALIST - DESKTOP SUPPORT - NETWORK CABLING TECHNICIAN - IT SERVER ADMINISTRATOR - COMPUTER OR SERVICE DESK TECH**
