<b>Thursday, October 10, 2019</b>	
<b>EXHIBIT HALL HOURS:</b>	10:00am - 2:00pm
<b>CONFERENCE HOURS:</b>	8:50am - 3:10pm

## Why attend Northern California Facilities Expo?

### Admission to the Exhibit Floor and Conferences is FREE -

You get informational and educational benefits similar to those of national shows, but without the attendance fees – and without incurring air fare and hotel expenses. The Santa Clara Convention Center is a venue that is convenient and user-friendly for attendees.

### Managing Green Buildings -

The Managing Green Buildings portion of Facilities Expo will help you be up to speed on products and services that can help save energy and water; meet energy and environmental regulations; apply toward LEED, Living Building Challenge or ENERGY STAR certification; qualify your facility for utility rebates, and more. Along with the designated Managing Green Buildings section of the show floor, at least half of the educational seminars in the conference focus on energy-efficiency and sustainability.

### Meet with Exhibitors -

Our show floor will have exhibits in a wide variety of categories including energy management, HVAC, predictive maintenance, electrical systems, water conservation, lighting, software, safety and many more – staffed by experts who can answer your technical questions. From the floor to the roof – our exhibitors have you covered.

### Educational Conference Sessions -

Topics include energy-efficient lighting controls, building continuity after earthquakes, new Title 24 energy requirements, electrical safety, solar PV systems and energy storage, water reuse, facility video surveillance, electric vehicle charging, improving your audiovisual presentations, fall protection, compressed air systems, efficiency as a service, a facilities tour of the Santa Clara Convention Center, and case histories about Kaiser Permanente San Jose Medical Center – an impressive green hospital, and the City of San Jose – one of the first cities in the U.S. to receive LEED for Cities Certification.
