

Connections: Dig Deeper, Live Stronger

You're invited to join "Connections," a new Bible study designed specifically for women who want to connect God's Word more deeply to their week!

Are you looking for a way to get more out of your Sunday sermon? Do you want a little time for Christian fellowship while your kids are busy? This is the place for you!

What is Connections?

This is not just another Bible study—it's an opportunity to link your worship experience directly to your daily life.

- **Focus on the Word:** We will center our discussion on the **upcoming Sunday Lectionary Scripture**. We'll dig into the text *before* the sermon, helping you listen with greater insight and understanding on Sunday morning!
- **Worship into the Next Week:** Learn how the Scripture for the week applies practically to your relationships, your work, and your home life.
- **Get More from the Sermon:** By studying the text in advance, you'll be prepared to absorb and retain the wisdom shared during worship.
- **Fellowship & Friendship:** This is a relaxed and supportive environment for women to **make new friends** and enjoy spiritual discussion.

When and Where?

We meet every Wednesday evening!

Time: 7:00 pm to 9:00 pm (fellowship time from 7:00pm to 7:30p)

Location: Room 21

Perfect Timing! This study is scheduled to run while the **Youth Group** is meeting, offering you a dedicated and convenient time to hang out, connect, and grow while your children are engaged in their activities.

Come connect the dots between Scripture, the sermon, and your everyday life! We can't wait to welcome you.
