

Patrick, Karin, and our family were introduced to Prince of Peace in 2005, when our oldest child (Laura) started attending the Preschool. We officially joined the church in 2006, switching from Christ Church of Arlington (PCA), and have been regular attendees ever since.

PoP has been a good church home for us, recognizing the Bible as the authoritative Word of God and Jesus as our Savior and guidepost in the faith, while complementing this knowledge with practical good works rooted in love.

The Maloneys have been regular contributors to the PoP community over the years and in various ways. Karin and the kids have participated in the Music ministry, and Patrick has ushered in the past and taught Sunday School for multiple years, covering both 5/6th Grade and Sr. High School classes.

Patrick looks forward to continuing his service to Prince of Peace as a member of the Board of Servant Leaders.
