Comfort and Peace

For the family and loved ones of Dominic Pekari, a baby with congenital heart illness, who recently passed away. Please pray especially for his parents as they grieve his loss and remind them of 1 Thessalonians 4:13-14: *"Brothers and sisters, we do not want you to be uninformed about those who sleep in death, so that you do not grieve like the rest of mankind, who have no hope. For we believe that Jesus died and rose again, and so we believe that God will bring with Jesus those who have fallen asleep in him."* (From Sue Caputo)

For the family and loved ones of Matt Weilmuenster, who passed away unexpectedly on November 11. Matt was an IT technician who helped both our church and our school. He leaves behind a young family and will be missed by many people.

Lord, please comfort all who mourn.

We ask God to protect their families while they are away, as we mourn the fallen, and rejoice with those who have returned home safely.
