We give thanks for the dedication and sacrifice of the brave men and women who work to safeguard our freedom, both here at home and abroad. We pray especially for those who may be in dangerous places and in harm’s way serving in civilian roles. We ask God to protect their families while they are away, as we mourn the fallen, and rejoice with those who have returned home safely.

Anthony Gonzalez-that he and his shipmates (USS George H.W. Bush) would return safely after deployment to the Middle East (Hill)
