Angel Tree 2026 Instructions

You've picked a tag! Now what?

Thank you for helping share the love of Jesus with children and families impacted by incarceration through Prison Fellowship Angel Tree!

1. Choose a Gift Tag
Select one or more tags from the Angel Tree. Each tag represents a specific gift request for a child or caregiver. Please take only the tags you plan to fulfill.

2. Sign Out Your Tag
Before leaving, please record your name, contact information, and the identification code from each tag on the sign-out sheet located next to the tree. This helps us keep track of every gift.

3. Purchase Your Gift
Shop for the item listed on your tag. Gift requests vary in price, so please choose something that fits your budget.

4. Wrapped or Unwrapped — Your Choice!
You are welcome to wrap your gift or bring it unwrapped. Either way, please securely attach the original Angel Tree tag to your gift. This is very important so we can make sure each gift reaches the correct child or caregiver.

5. Return Your Gift by Sunday, December 13
Please place your gift under the Angel Tree at Prince of Peace by Sunday, December 13, 2026, with the original tag you selected securely attached. Our Angel Tree team will organize the gifts and prepare them for delivery to families before Christmas.

Want to help in another way?

We still need volunteer drivers to help deliver Angel Tree gifts to families! There are also plenty of other ways to volunteer, pray, and support Angel Tree throughout the season.

Visit ***poplc.org/angeltree2026*** for more information and updates.

Thank you for helping make Christmas special for these children and families!
