When you join the meeting please mute your audio and make sure your camera in the ZOOM meeting is off. We will let you know how and when to enable audio/video once the meeting starts.

### Mute/Unmute & Audio Settings

You can mute and unmute your microphone. The host also has the ability to mute you. If you click on the arrow next to the mute button, you will have additional options for audio settings. You can change your microphone, leave the computer audio or access the audio options.

### Start/Stop Video & Video Settings

You can turn your camera on or off with the Start/Stop Video button. By clicking on the arrow next to the start/stop video button, you can change webcams, access your Zoom video settings, or select a virtual background (if enabled).
