

## Attention Parents

Are you looking to get more involved with the school, but not sure where to start? Are you interested in learning about STEM and the impact we as parents, teachers, and staff have on our students? Or are you just curious how our school runs and what goes into making our school a success? If you said yes to any of these questions please consider joining the STEM School Accountability Committee, SAC. All parents are welcome to attend our meetings, but we are currently looking to fill two parent voting member positions for the 2020-2021 school year. You can submit your letter of interest to [sac@stemk12.org](mailto:sac@stemk12.org).

We are looking for a diverse representation of our school, which can be grade level, culture, committees, or anyone that has a direct impact on a large population of our school. We currently have parent representation at each of the school levels, elementary, middle, and high school. Each elected member serves a two year term; however, your role on the board may change from one year to the next within the elected term. The SAC time commitment is minimal and qualifies towards volunteer hours. The SAC typically has 7-8 meetings per school year that are held in the evening from 6-8pm.

The SAC is an advisory committee to the Director(s) about things such as...

- **Discuss results of State testing**
  - School Performance Framework
- **Provide input regarding...**
  - School Budget
  - Unified Improvement Plan (UIP - the school's academic goals and action plans)
  - Staffing Needs
- **Parent Survey**
  - Distribution
  - Collection
  - Data Analysis
- **Collaborate with the PTO and the Board of Directors**
- **SAC reports to the DAC (District Accountability Committee)**
  - The DAC meets with the Douglas County School Board of Education regarding...
    - Spending district money
    - Charter applications and renewals
    - School improvement plans

**If you have any questions or are interested in becoming an advisor on the SAC please submit your intent to participate to [SAC@stemk12.org](mailto:SAC@stemk12.org) by May 1st. The election will be held May 8-15 via electronic ballot.**

**To know your school is to love your school!**
