

Girls Junior High Seventh Grade Supply List - 5782

Dear Parents,

We would like to welcome you and your daughters back to the junior high department! We hope the enclosed list will help alleviate the first day of school shopping crunch and will allow your daughters to come to school relaxed and prepared. Please clearly label, with your daughter's name, all notebooks, supplies and other items coming to school to prevent her belongings from getting lost. Any unclaimed items left in school past the last day of school will be considered Hefker.
