CHINUCH THOUGHTS

REMINDER:

The clock moves forward 1 hour this Motzei Shabbos. Yeshiva Sunday morning begins at 8:45 (new time).

Junior High Boys Shachris begins at 8:30

Guidelines from the Centers for Disease Control and Prevention in regards to the Coronavirus:

As a reminder, the CDC always recommends everyday actions to help prevent the spread of respiratory illness, including:

- *Avoid close contact with people who are sick.
- *Avoid touching your eyes, nose, and mouth.
- *Stay home when you are sick.
- *Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- *Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.
- *Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.

Parents should discuss the above precautions with their children and institute these recommendations at home; likewise, teachers will be informed to implement them within school.

ונשא אהרן את שמותם לפני ד' על שתי כתפיו לזכרון (כח, יב)
ונשא אהרן את שמות בני ישראל על לבו לזכרון לפני ד' תמיד (כח, כט)

The Torah, in describing the Bigdei Kehuna, tell us that the Kohen Gadol carried the names of the Bnei Yisroel on his shoulders – engraved on the Avnei Shoham of the Efod and on his heart – carved into the stones of the Choshen.

The positioning of the names of the Shvotim at these locations represents the love (לב) and responsibility (כתפיו) the Kohen Gadol felt for Klall Yisroel. It also bears a message to us parents and teachers.

The love we have for our children must not be a shortsighted and reckless love but rather a responsible one. Additionally, our responsibilities to them must be carried out in a spirit of love rather than as a burden and inconvenience.

Giving in to every whim and fancy of our children, when it isn't in their best interest, might be viewed as "Ahava" – but it doesn't reflect "Achrayos" and is therefore an irresponsible love (חסן בלי אפוד). Taking our roles of parental responsibility so seriously that it doesn't take into account the individuality and uniqueness of every child, is "Achrayos" without "Ahava" (אפוד בלי חסן).

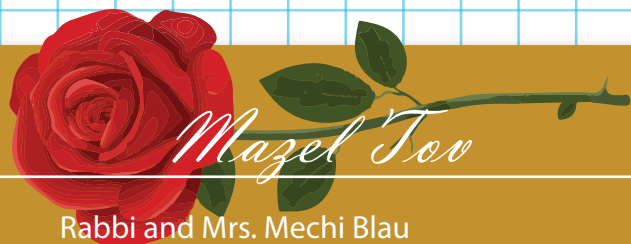

Our challenge as parents and educators is to maintain a proper balance between the two. The בגדי כהונה of תפארת (תפארת) of both (חסד ודין).

Purim in particular, poses a tremendous challenge to our ability to exercise this blend of Ahava and Achrayos, both on a personal and parental level.

Chazal say that on Purim we reaffirmed our commitment to Torah out of free will and love, as opposed to Har Sinai which contained an element of coercion. Indeed, Purim with its Mitzvos Hayom and accompanying merriment and festive spirit reflects this level of Ahavas Hashem and Ahavas Hatorah. At the same time, however, we must ensure that this Ahava is expressed with a sense of Achrayos – responsibility for our own actions as well as our children's.

Driving recklessly, drinking irresponsibly, double parking, blocking driveways, incessant honking, littering streets and sidewalks, playing loud music and screaming at the top of our lungs late into the night and early hours of the morning, or in general acting as if we are the only people living in the neighborhood, are examples of outright "Chilul Hashem" not expressions of "Ahavas Hashem" and an example of Ahava without Achrayos.

This Purim let's all make a special effort to put some more Achrayos into our Ahava so that Purim can once again be the elevated and meaningful day it was intended to be.

⇒ BOYS JUNIOR HIGH

Our Shabbos afternoon program begins this Shabbos from 4:25 – 5:55.

The Yeshiva would like to express its deep Hakoras Hatov to **Rabbi Aron Moshe Gartner** of **Yad L'Talmid** for their invaluable assistance throughout the year in providing much needed tutorial help for our talmidim. We have already seen amazing results. Thank you for making this resource available to us as well as numerous other Yeshivas in our community.

⇒ GIRLS JUNIOR HIGH

Reflecting on the Bas Mitzvah Seudah brings these words to mind: meaningful, elegant, and most enjoyable. Moros, mothers, grandmothers, and even great grandmothers and, of course, our Bnos Mitzvah entered the Moshe Ganz hall this past Tuesday evening, filled with excitement and anticipation for the grand event. The elegantly set tables were replete with bejeweled golden crowns atop glass vases. Rabbi Krause addressed the audience on the pivotal role of women in being Shomrim of Torah and Mitzvohs, dating back to Chava in Gan Eden. We heard about the relevance of Tehillim to our own lives from Mrs. G. Gettinger, connecting each girl to the Sefer she received as a gift from the school. The evening's focus was an extraordinary performance by the girls themselves who amazed us with their talent, creativity and presence.

In the words of one of the mothers;

it was one of the most meaningful and deeply enjoyable events that I have ever been at. Rabbi Krause began with the powerful message of the privilege in our sacred mission as being the keepers, "the security system", of Kedushah in our homes and in Klal Yisrael. The entire evening followed and reiterated this "charge" for Bnos Yisrael in an uplifting, enjoyable and deeply inspiring way.

And to quote one of our guests;

the beauty of the evening stemmed from the confluence of both stunning décor and delicious food paired with an inspiring presentation by our girls who portrayed the Mesorah through the generations, with the hope of following in their holy footsteps."

Thank you to Mrs. S. Brisk and Mrs. S. Fischer for their many hours of investment and all those that helped to enhance this event. May we always share in Simchos!

Way to go, Chodesh Heads! Thank you so much for the really fun Hangman game we played Thursday morning to "break out" our upcoming Mishloach Manos exchange this coming Monday. We appreciate the added Ruach and Simcha to our days!

PURIM CARNIVAL

Yasher Koach, Talmidos of Kitah Zayin, on the smashing job you did with the carnival this year. We especially loved your "Around the World" theme, and the matching decorations of globe balloons and flags that filled the air. You set up incredible booths with a variety of fun activities, you welcomed your guests with warmth and a ready-to-have-fun attitude, and you made sure everyone was having a blast! Thank you Mrs. Botnick, Mrs. Weil and Miss Bachur for putting forth so much time in preparation for the carnival, as well as directing and organizing the activities on the actual day. The carnival was enjoyed by grades Pre1 through 6 on the junior high rooftop. Everyone enjoyed the many treats like cotton candy, popcorn and snow cones. Simchas Purim to one and all!

⇒ EARLY CHILDHOOD

Purim is in the air! Our dress up day this Thursday featured three wonderful activities that each class experienced. They rotated between two huge and happy moon bounces set up in our multipurpose room, to a Purim Pudding Putty activity (bringing new meaning to the concept of edible slime!), and a round-the-block Purim Costume Parade led by our marvelous Morahs. There is never a dull moment here in the Early Childhood! We created Persian palaces with drapery, almost like King Achashverosh's fancy party. We used our fine motor skills to fill and pinch the corners of our Hamantashen and smelled the delicious aroma as they baked. Our afternoon classes joined in with their Geography unit on Persia. Besides pictures of ancient Persian artifacts, they had a feast with local foods (you would be amazed what a child will taste in school!) and washed it down with lemonade, a supposedly ancient Persian beverage. Lots of fun!

⇒ BOYS ELEMENTARY

On Shabbos Parshas Mishpatim Rabbi Perkowski's 4th grade talmidim were privileged to enjoy a special Shabbaton at the home of their Rebbe. Special thank you to the Schlusser and Gottesman families for hosting the Oneg and Melave Malka. Yasher Koach to all the host families and special recognition to Mrs. Perkowski for preparing a beautiful Shabbos for the talmidim.

On Motzei Shabbos Mishpatim Rabbi C. Trainer's 4th graders enjoyed a special Melaveh Malka hosted by their Rebbe.

Mazel Tov to...

...Rabbi Bader's 3rd grade upon the completion of Parshas Va'era.

...Rabbi Weiner's 3rd grade upon completing the entire Sefer B'Reishis.

Each class celebrated their milestone with a Siyum.

Special Yasher Koach to Rabbi Chaim Trainer and his 4th grade talmidim for going to Garden of Palms to sing and bring the spirit of Purim to the residents.

This past week Miss Ritvo's class began their Open Court unit on money. The class took a trip to the bank to learn about money and banking. The boys learned how the bank counts many bills at once, how they detect a false credit card or ID with a strong light, how to detect counterfeit money, and much more. The boys were even given piggy banks as a gift to store their money. It was a fun and informative trip for all!

שמחת פורים!

⇒ GIRLS ELEMENTARY

As the culmination of the Shmone Esrei curriculum, the third graders put on an absolutely magnificent performance of song, dance and drama. It was such a nachas to see how well that girls worked together and what a good time they had. Through this beautiful performance and the year long of lessons the girls internalized the meaning and message of each bracha of Shome Esrei. Thank you to the Moros and assistants for the hours and hours of work, Mrs. Freilicher for the beautiful musical accompaniment, Morah Bracha Farber for the breathtaking scenery and Mrs. Biron for the slideshow. May we always see much nachas from their beautiful davening.

The 4th grade girls, under the direction of Ms. Deel and Miss Matyas, presented a Poetry Recital this past Wednesday in the lunchroom. Decorated tri-fold boards, replete with background information about their poet, set the stage for a famous poem reading. Poems included old favorites like "My Shadow" and "The Swing" by Robert Louis Stevenson and "I Wandered Lonely as a Cloud" by William Wordsworth. By pushing a "button," parents and guests prompted the students to begin reciting their poem. Thank you to all the attendees for sharing in our celebration of poetry.

5TH GRADE ROSH CHODESH ADAR PERFORMANCE/TRANSFORMATION

⇒ CHASDEI AVIGAIL

What a great week! On Sunday the 8th graders planned and ran a beautiful carnival for our friends at Sunday Funday, and on Monday they ran another carnival for our friends at ishine (chai lifeline). What a zechus to have created so many smiles and so much joy! On Tuesday this round of Torah Circle said farewell to their new friends and round three will begin after purim.

I"YH we are planning a Purim party at the Garden of Palms on our weekly Friday visit.

HAVE A GREAT SHABBOS!
