### JFS SV Needs Host Families for Temporary Housing

We resettle refugees who need temporary (1-2 month) housing and we are looking for host families. These are people that don't have a U.S. tie. We are hoping that *you* will open your hearts and homes.

**What type of accommodations do they need?** They need their own bedroom and bathroom.

**Who are these people, and have they been screened?** These are recently-arrived refugees from around the world who have gone through rigorous vetting.

**Why should I open my home to a stranger?** As Jews, we were once strangers in a strange land. The Torah tells us 36 times that we should welcome the stranger.

**May I speak with someone who has already hosted?** Yes, we will connect you with a current/past host family.

**Will I need to do everything for these clients?** No, these clients will be case-managed by JFS SV staff. They will go to JFS for their ESL classes and for support to find a job.

**Can I be compensated?** Yes, we are required to compensate for your increased utilities.

**Do they speak English?** In most cases their English is enough for you to communicate with them.

**What if I have company coming?** We will find a place for them to stay temporarily.

**Where are they from?** All over the world including but mostly from Iran and Afghanistan

**Will I be trained about what to do?** Yes, JFS SV staff will train you.

**What will I need to do?** Provide a safe place for them to stay upon arrival.

**Are other agencies resettling refugees?** JFS SV is currently the *only* agency resettling refugees in Santa Clara County.

**Are there other ways I can help?** Yes, you can become a volunteer driver or mentor, join our housing task force, or contribute toward refugee rent.
