Dear Mrs. Cindy Schlesinger,

Congratulations to you and the Yavneh Day School community on being recognized as a U.S. Department of Education 2020 Blue Ribbon School. As the liaison office for the U.S. Department of Education to the nonpublic school community, including private, faith-based, and home schools, the Office of Non-Public Education (ONPE) is delighted that your school has received this recognition for your outstanding and hard-earned achievement.

The Blue Ribbon Schools Program recognizes elementary and secondary schools that make significant progress toward closing the achievement gap or whose students achieve at high levels. By performing in the top fifteen percent in the nation in reading and mathematics, Yavneh Day School has clearly evidenced a commitment to educational excellence and high academic achievement for all students. We commend the faculty, staff, students, and parents of the Yavneh Day School community for their efforts in creating an environment of success.

We wish Yavneh Day School success in continuing its tradition of academic distinction in the years ahead. Please do not hesitate to contact us at (202) 401-1365 or by email at ONPE@ed.gov if we can be of assistance to you in the future.

Sincerely,
