Are you seeking to bring Judaism into your children's life but don't know where to start? Do you want to increase your family's connection to the Jewish tradition? This workshop series will give you inspiring ideas and concrete tools to bring Jewish values, messages and actions into your family's daily life. Join us over a glass of wine or a cup of tea, and grow from the inside out! All backgrounds welcome. Led by Rabbi Laurie Matzkin, APJCC's Mindful Jewish Journeys educator (and APJCC Preschool Mom).
