

Dear Yavneh Families,

We are happy to restart the after care program for the 2021/2022 school year. Yavneh is operating the HaMoadon program, from staffing and activities to billing. We are excited to enhance HaMoadon to be more convenient, while focusing on safety and embracing Yavneh's fundamental beliefs. Please complete [this form](#) to register your child.

Before and after care options:

HaMoadon @ Club J for K-8th grade students

HaMoadon ("The Club") is a Yavneh before and after care program. HaMoadon staff meets students in grades K-2 at their classroom and escorts them to Club J. Students in grades 3-8 walk to HaMoadon on their own. Here, they participate in fun, structured activities such as art, games and more. Students have ample time to play on the playground, have a snack, or just unwind. Students participating in Yavneh or APJCC enrichment classes will be picked up and dropped off at no additional cost. Staff members will sign the students in to HaMoadon and parents/authorized person will sign the students out.

The Yavneh Procare App:

We are utilizing an app called Kinderlime to manage the sign in and out process as well as billing for our after care programs.

Every student is already registered in Procare. This will make it simple and convenient for any family to participate as they choose. You will receive an email invitation to download the app and sign up.

When you download the app, please do the following:

- Follow the instructions emailed to you for logging in
- Add payment information
- Add family members and authorized people for pick up

- Add allergy information

Please note, Kinderlime includes many school functions. At this time, we are only using it for the sign-in/out process and billing.
