Sustainability Initiatives and Curriculum in Schools

For: Sustainability Coordinators, Leaders of Sustainability Initiatives, and Outdoor Classroom Teachers or Enthusiasts

Tuesday, May 7, 2019
9:30 a.m. to 2:30 p.m.

Hosted by:

Princeton Day School
650 Great Rd.
Princeton, NJ 08540

This opportunity serves to connect, reflect, and collaborate across the association in order to expand and strengthen sustainability efforts, curriculum, and practices within our schools. The day will include presentations and panels that highlight the work currently being done in NJAIS and OASIS schools, space to discuss with colleagues your school’s sustainability program and mission, and hands-on learning utilizing Princeton Day School’s outdoor classroom.
