COMMUNITY OUTREACH

SaddleBrooke COMMUNITY Outreach

"It's All About the Kids!"

SaddleBrooke Community Outreach Scholarship Endowment Program

Each year SBCO applies a rigorous evaluation process to select students to receive scholarships of $3,000 per year for four-year degrees and $1,500 per year for two-year programs. SBCO established a Scholarship Endowment Fund Program to increase the funding available for these scholarships. Only the interest earned on donations is used to fund local scholarships. This allows donors to provide scholarship assistance to local students for generations to come. Donations to the Scholarship Fund can be made through estate plans or trusts, by donating a portion of an IRA retirement account, or by donating cash. Gifts of property such as real estate or cars is another option. The minimum donation is $5,000. The SBCO Scholarship Endowment Fund is managed by the Community Foundation for Southern Arizona.

All checks must be made payable to Community Foundation for Southern Arizona (address 5049 E. Broadway, Suite 201, Tucson Arizona 85711) with "SBCO Scholarship Endowment" on the memo line.

For more information about the Community Outreach Scholarship Endowment Program, visit https://community-outreach.org/ or send an email to endowment@community-outreach.org or call the SBCO office at 520-825-3302.

SPORTS / EXERCISE

The **SaddleBrooke Hiking Club** has over five-hundred energetic, enthusiastic members whose passion is hiking the Sonoran Desert, grand canyons, gentle hills and magnificent mountains of Southern Arizona. This is a wonderfully diverse ecosystem. The club also gathers periodically for programs, picnics, and road cleanup days. Additionally, group fitness walks covering 3-4 miles around SaddleBrooke are led weekday mornings. Other activities include downtown Tucson, University of Arizona, and city of Florence walks, in addition to hiking trips to various Southwest areas (Arizona or neighboring states) once or twice a year with multiple hikes over several days.

However, the main activity and focus is hiking in Arizona. Hikes are led by member guides who choose from the club's database of almost 500 hikes or propose their own at guide meetings. Hikes are graded according to difficulty and vary from easy strolls to strenuous, challenging climbs. Members sign up online for hikes that interest them and suit their abilities.

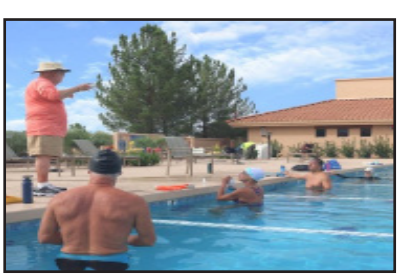

Our website at **https://saddlebrookehikingclub.com** contains information regarding all aspects of our club. View our newsletter by clicking on the link titled "Latest Newsletter" on the home page. This league has been around for over 33 years and is composed of both men and women, Active Adults, with ages ranging from the 40s to the 90s. This is a fully handicapped fun mixed league with bowling averages from the 70s to well over 200. Many of the bowlers come from SaddleBrooke, Sun City Vistoso, Tucson, Oro Valley and Marana. SaddleBrooke Tennis Club (STC)

One club. Three sports.

Spanning two HOAs, the SaddleBrooke Tennis Club (STC) provides seamless scheduling, shared events, and coordinated court maintenance. The club manages an equitable court reservation system and promotes participation in **Tennis, POP Tennis, and Red Ball Tennis** through both member and non member events.

HOA1 maintains an eight court tennis center with a patio and office. HOA2 maintains 12 courts across three locations: five at the Mountain View complex, four at Desert View, and three at The Preserve. **All 20 courts are available to all SaddleBrooke residents** in the afternoons and evenings.

Members may reserve courts during prime morning hours and benefit from **five certified instructors** plus regularly scheduled clinics for various skill levels in both tennis and POP Tennis.

Three ways to play. One great community.
Where fun, fitness, and friendship come together.

STC is dedicated to the health and enjoyment of SaddleBrooke residents and welcomes players of all skill levels—from beginners to seasoned competitors.

With **one membership**, players can enjoy **three USTA recognized sports**:

Traditional Tennis
A great workout for body and mind—and a highly social sport.

Traditional tennis combines physical intensity, strategy, and social interaction. Research suggests it can add nearly **10 years** to a player's life.

POP Tennis
Fast, fun, and easier on the body.

POP Tennis is played on a smaller court with solid paddles, using the same rules and scoring as traditional tennis. An underhand serve can reduce shoulder strain, and vibration absorbing paddles may be gentler on the arm. Primarily a doubles game, POP emphasizes quick net play and camaraderie.

Red Ball Tennis
Successful rallies in minutes, not months.

Once designed for kids, Red Ball Tennis is now a popular, low pressure option for adults. Larger, slower balls allow new players to rally within **10 minutes**, creating a high energy, social workout without a steep learning curve.

Join the Fun

The SaddleBrooke Tennis Center (HOA1 Tennis Pavilion) is staffed by friendly coordinators **Monday through Saturday mornings.**

STC offers **three membership options**: full annual, three month associate, and social.

How to join: Stop by or call the SaddleBrooke Tennis Center for a membership form or email the club to get started.

Try POP Tennis & Red Ball This Fall!

Looking for a fun, social, lower-impact way to enjoy tennis? The SaddleBrooke Tennis Club invites you to try two easy-to-learn formats: **POP Tennis** and **Red Ball**.

- **When:** Tuesdays and Thursdays, noon to 2 p.m.
- **Begins:** October 20
- **Cost:** Free
- **Who:** Members and non-members welcome
- **Provided:** Equipment and instruction

POP Tennis is played on a shorter 60-foot court with solid paddles and low-compression balls, creating longer rallies with less running. **Red Ball** is played as doubles within the service boxes using a larger, slower ball and shorter racquet, making it easy on the body and fun for all levels.

Free drop-in sessions begin October 20: Tuesdays and Thursdays, noon to 2 p.m. Equipment and instruction are provided; members and non-members are welcome.

No experience needed—come try a new way to play!

SaddleBrooke Bereavement Support Group

The SaddleBrooke Bereavement Group meets every Sunday at 4 p.m to 5:30 p.m. at the HOA1 Clubhouse. This support group will meet in the Javelina Room on the south end of the main floor of HOA ONE. Plant Based Nutrition Group

The Plant Based Nutrition Group (PBNG) is the place to learn more about what it means to go plant-based, the effects this can have on your health, how to go about doing it, and how to deal with holiday meals, eating out, eating at friends' homes who are not plant-based and much, much more. All SaddleBrooke residents are welcome – whether you are already on a plant-based diet, or whether you are first considering what a plant-based diet is all about.

What brings people to be interested in plant-based nutrition? Some people change to a PB diet for health reasons, e.g. their cardiologist recommended it. Some people recognized they felt better when they switched to a PB diet. Some people are interested as a PB diet puts much less strain on our ecosystem. Some people are interested in a vegan diet because they are concerned about the welfare of animals. Some people have heard about a PB diet but don't know much about it and want to learn more. Some people want information and support on how to make a transition to a PB diet

PBNG holds potluck dinners, hosts guest speakers and other educational programs, and arranges trips to plant-based restaurants in the Tucson area. SaddleBrooke Pet Rescue Network Thanksgiving Pie Fundraiser

By Lisa John

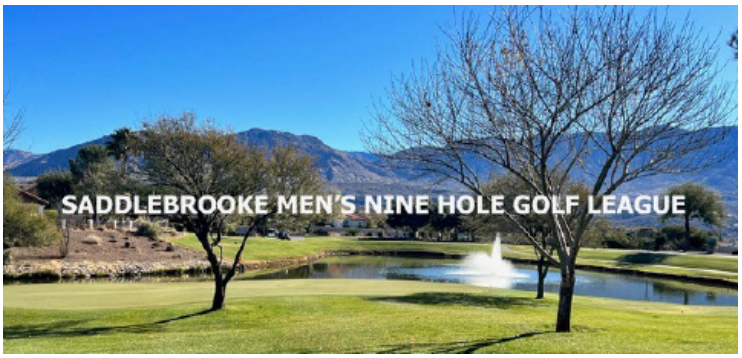

Many people know that SaddleBrooke Pet Rescue provides funds to our Rescue Organizations and local Shelters with your generous donations and through our Fashion Show Fundraiser. However, did you know that SaddleBrooke Pet Rescue also has another very important mission? That of rehoming pets: sometimes a resident needs help finding a new home for their beloved pet; sometimes an animal is brought into our neighborhood and abandoned. In both of these cases, short term fosters are found and provided with food, bowls, crates, and beds for the length of the animal's stay. If vet care is needed in order for the animal to be rehomed, we financially make sure that happens. All are rehomed to SaddleBrooke residents that have contacted us looking for a new friend to share their life with.

SaddleBrooke Pet Rescue is thrilled to once again hold a pie fundraiser to help us continue to support furry babies. We have bakers excited to make a fresh homemade pumpkin or apple pie for the low price of $15.00 just for you!

This year we will NOT be pre-ordering pies. Pies will be available for pick-up on November 24th on a first come-first-served basis. Pick-up location is: 37802 S. Niblick Dr. starting at 8:00 am. Supplies are limited – once they're gone, they're gone.

Thank you again for your continued support!!

Links Players

At Links Players, we help men and women change the conversation at their clubs and courses where they play golf—from surface to substance, me to others, and temporal to eternal.

This happens through a ministry of presence, where a Links Fellowship allows participants to explore the life and words of Jesus Christ through examination of the Scriptures, to pray together in support of each other's walk of faith, and to reach out to those in their club who need the heart change that salvation in Jesus produces.

Here in Saddlebrooke we have a Links Fellowship of men who gather every week to build each other up, search the scriptures through resources provided free of charge from Links Players In-ternational, LPI, and play golf together. We also host functions throughout the year such as golf tournaments, couples gatherings, dinners and outings to grow as a group and in community.

Links Players International was started by PGA Professionals over 35 years ago. It has a thriving website, linksplayers.com, that is filled with Daily Devotionals which you can subscribe to, Bible Study tools, as well as PGA Tour Articles and videos.

If interested in learning more about the Links Fellowship in Saddlebrooke, please reach out to Rob Dawson at 209-988-9443 or rjdawson@linksplayers.com or to Scott Antes at 425-449-3949 or saatagolf@msn.com for more information.
