Looking for a way to support your SaddleBrooke neighbors? Join Senior Village's 400 volunteers who live the motto "neighbors helping neighbors." We promote independence and well-being among our 2,000 members through various programs and services. Immediate volunteer opportunities are available in the areas of data entry, dispatch, event coordination, forms/documents, drivers, home technology, photographers, SaddleBag Notes newspaper delivery coordination and writers. Ideal volunteers have computer skills, regular availability, and empathy for older adults. To begin the application process, visit www.seniorvillage.org/volunteer. For more info, contact Volunteer Coordinator Mary Toth at mary.toth@seniorvillage.org or (520) 314-1042, press 4.
