NEW VOLUNTEER ORIENTATION

THIRD MONDAY OF EVERY MONTH AT 3:00 PM – **March 17th**

CALL 825-9101 FOR MORE INFORMATION

Something wonderful happens when you become a member of the "Goose Gang." Our volunteers have more fun! They tend to be healthier and consistently report being happier after becoming part of the **Golden Goose** family. Young, old, working, retired... it doesn't matter. Volunteering is good for everyone; it's a great way to support our local communities.

The **Golden Goose** Thrift shop is always seeking individuals who wish to donate their time sorting, pricing, stocking, and selling donated merchandise.

COME JOIN the *Goose*. We are always looking for volunteers to help in a host of ways, from answering phones to driving our truck and everything in between. There are dozens of opportunities at the *Goose*! One is sure to suit you. Our volunteers are what make the *Goose* the happening place to be! New Volunteer orientation takes place every month on the third Monday at 3:00 PM. Call 825-9101 for more information. Even 2-3 hours a month can make a difference.

Second Friday:
10:00am-12:00pm

Fourth Tuesday:
