

2026 Penick Village Mother's Day Offering

Thank you for supporting the **2026 Penick Village Mother's Day Offering!** Included are offering envelopes for your Sunday bulletin or pews. Please encourage parishioners to complete the envelope and either mail it to Penick Village or place it in the offertory plate. Collected envelopes can be mailed together.

Some churches choose to take a loose offering and send one check to Penick Village, while deeply appreciated, using the envelopes helps us properly thank each donor.

For convenience, the wording below is suggested for bulletins and announcements. If you prefer a digital version, email cdugas@penickvillage1964.org.

Penick Village, a **faith-based continuing care retirement community** in Southern Pines, has deep Episcopal roots. Since 1957, the **Mother's Day Offering** has helped fulfill Bishop Edwin Penick's promise: **No Resident Should Have to Leave Due to Financial Hardship.** This tradition continues today.

Your gift to the **2026 Mother's Day Offering** helps fund around **a million dollars' worth of financial assistance** provided each year. Every donation, large or small, helps sustain this mission. Thank you for your generosity!
