

Mother's Day

Dear Friends,

Mother's Day invites us to reflect on the people who have loved us into who we are. It is a time to honor the mothers, grandmothers, aunts, godmothers, and treasured friends who have offered comfort, guidance, and strength through every season of life. Their care has shaped our families, our communities, and our hearts.

More than six decades ago, Bishop Edwin Penick believed that kind of love and protection should extend beyond the walls of any one home. He recognized that aging adults deserve to live with dignity, security, and belonging. With the support of the Diocesan Council, Bishop Penick the **Penick Village Mother's Day Offering** as the annual opportunity for churches and individuals to support its mission. It was a fitting choice: a day devoted to honoring compassion became the day to sustain it.

As Mother's Day approaches, we invite you to continue this meaningful tradition. Enclosed are donation envelopes for your congregation, which may be placed in Sunday bulletins, pews, or other shared spaces. We would be grateful for your help in spreading the word about this vital ministry, encouraging parishioners to make a gift in honor of the women who have shaped their lives. Donations may be placed in the offertory plate or returned by mail. Suggested wording for bulletin announcements is included. If you would prefer digital materials, please email us at cdugas@penickvillage1964.org.

Additionally, we would like to extend a warm invitation to all ECW groups in the Diocese join us on campus this year for a tour of our grounds. Come and see firsthand how your generosity makes a lasting impact on the lives of so many. To schedule your visit, please email us at cdugas@penickvillage1964.org.
