

Live Auction Item Suggestion For District Child Abuse Prevention Program Needed

What would really help raise money:

- Time Shares and Vacation destinations for a week or weekend
- New Electronics like televisions, microwaves, Video equipment, etc.
- Gas or Electric Grills
- Tickets to universal appeal sporting events
- Hunting or fishing experiences

and anything else you can think of to help raise significant dollars for the Georgia District Child Abuse Foundation. This money raised is distributed to Georgia's National Exchange's Accredited Child Abuse Prevention Center and to other National Exchange Affiliate programs throughout the state.

Notify Lisa Glisson, Lisa.Glisson@qnbtrust.bank if you have item(s) to include in the live auction.

Items Needed For Silent Auction Bidding

During Convention Weekend

One of the very successful events of our conventions has been the silent auction that runs from Thursday thru Saturday of the convention. All the money raised goes to the Georgia District Child Abuse Prevention Foundation. We could use just about anything like original art, pottery, tools, appliances, gift baskets of "goodies" both edible and drinkable, mens and ladies' accessories, sporting goods, camping equipment, celebrity or sports figures autographed memorabilia, etc.

Bring the items with you to convention, or contact your District Director and they will bring them.
