

A private film screening and virtual conversation!

Although we can't gather in person this year,
Family Promise of Essex County (formerly IHN)
invites you to a free virtual event.

Please join us for a screening of
the Academy Award® winning film

Saturday, November 14 at 7 pm
Family Promise of Essex County presents a
**Virtual Screening and
Live Conversation**

www.inocentedoc.com

RSVP

Inocente, a heartfelt, inspiring film, tells of a teen whose family is experiencing homelessness, and the pursuit of her dream to become an artist. Check out the trailer: <https://www.shineglobal.org/project/inocente/>.

Inocente herself, along with other members of our community, will be joining us afterwards for our live video program!

This event is to thank our volunteers and supporters, honor our dedicated shelter coordinators, and update you on our work to address family homelessness in Essex County during the COVID pandemic and beyond.

RSVP for details of how the event will work. There is no charge to participate, but we are hoping you will be inspired to support this important work on behalf of our neighbors in Essex County.

See you on November 14, 7-8:30 pm,
and please share this invite with your
friends and family and on social media!

If you can't attend this event, but would still like to make a donation to support FPE families experiencing homelessness, please use the button below. Thank you for your support!
