

# BRCA PROFESSIONAL PANEL

## Come Learn about BRCA

**1 in 40 Ashkenazic men and women carry a BRCA mutation, compared to 1 in 600-800 in the general public. What does this mean for Jewish families?**

**When: Sunday, September 18, 2016  
3:00 PM**

**Where: Congregation Beth David  
19700 Prospect Road**

Learn about this genetic mutation, how it can be identified, and what kind of difference can be made once it is known. Panelists include renowned BRCA research experts Dr. Jim Ford from Stanford, and Dena Goldberg MS, geneticist from UCSF and Color Genomics.
