

Jewish Family Services
of silicon valley

Welcome our New Associate Executive Director, Susan Frazer

A brief message from Susan:

Thank you all for such a warm welcome to the JFS SV family! I am so excited to work with such a committed, compassionate and mission driven team. Under Mindy's leadership, and the work of a very driven team, JFS SV has grown into an esteemed organization that has so effectively supported thousands of

individuals to improve the quality of their lives and sense of well-being in the community.

I am thrilled to partner with Mindy, the Board of Directors, and the team to enhance JFS SV's impact in the community, using Jewish values as our conduit for change. I am inspired by the opportunities we have to fill the gaps in services for those who are most vulnerable in Santa Clara County. As social worker with 30+ years of providing direct services, managing teams and creating new programs and partnerships, mostly in Santa Clara County, I look forward to fostering the partnerships that I have already created in the county to bring JFS to new tables of planning and partnerships.

And most of all, I am thrilled to support the JFS team to continue its great work and ability to take on new challenges and opportunities! I welcome the opportunity to get better acquainted with the JFS family, both internal and external, so please feel free to reach out to me at susanf@jfssv.org.
