

2021 BUSINESS OF THE YEAR NOMINATION

The Piscataquis Chamber of Commerce is very proud to represent some of the most outstanding businesses in Maine. In fact, businesses within our county have been recognized at state, regional, and even national levels because of their reputation for business excellence, superior products or services, and community involvement. Each year, we ask Piscataquis residents, employees, and business owners to nominate their favorite businesses for the Chamber “**Business of the Year**” award. This is a wonderful way to recognize those businesses which have become an integral part of our daily lives; where we work, shop, eat, and more. This is your chance to tell us which businesses mean the most to you, and why, so that we can give them the recognition they deserve right here at home, where it matters most!

The business you nominate MUST meet the following criteria:

- 1) *Must be a Piscataquis Chamber of Commerce member (see our business member directory online at www.piscataquischamber.com)*
- 2) *Must be in business for a minimum of 2 years and be located in a community represented by the Piscataquis Chamber.*
- 3) *Must demonstrate business excellence through continued growth, leadership, innovation and creativity.*
- 4) *Must provide a healthy and safe work environment for its employees.*
- 5) *Must contribute to and have a positive influence on the well-being of the community in which it resides.*
