About the Website

Our international website draws between 6000 – 6500 views per week, and over 7800 page visits per week. Because we do not have an active Better Business Bureau in our area, residents, relocating families, and tourists look to us for referrals to reputable businesses in Piscataquis County. Basic Chamber membership includes a text directory listing with a live link to your website and email. FEATURED members are those that want more exposure. For an additional fee, those members can purchase a large or small ad on the home page and get an ad on the business listing page, free, for a limited time. Don't miss out!

About the Guidebook 22,000 copies this year!

The 2020 Piscataquis Region Guidebook is going to be our **best** guidebook yet! Included in this year's publication are county-wide events through May of 2021, points of interest throughout the county, and current members listed by *town* and *category* so that visitors and new residents can find a business or service effortlessly. More vibrant photographs of our businesses, recreational opportunities, and beautiful landscapes will make it a pleasure to look through! The guidebook is the Chamber's #1 printed resource for anyone seeking information about our county. These guides can be found in Chambers, rest stops, visitor's centers, gas stations, Doctor's Offices, major airports, and more throughout New England, and along the East Coast and Florida, and are also included in relocation and tourist packets distributed by the Chamber. As a member, your business is automatically listed, however placing a color ad for your business will give you the ultimate exposure, and your investment will help us to pay for the printing and distribution of the book, promoting our area and bringing more visitors into the county! **Reserve ad space today!**
