

The Mission of the Aspiring LeaDDership program is to foster Aspiring LeaDDers with developmental disabilities to build community, strengthen self-confidence, and develop leadership skills, so they may LEAD by example, find their VOICE and take ACTION!

A 10-month leadership journey for young adults (age 22-35) with developmental disabilities to build skills, confidence, and community impact.

Program Highlights

- Discover your strengths, values, and passions as a leader.
- Build leadership skills in goal setting, communication, self-advocacy, teamwork.
- Learn through monthly in-person sessions in Westchester County.
- Celebrate your growth with a graduation ceremony.
