

# Odyssey of the Mind

Looking for a fun way for your child to develop self-confidence, teamwork, and problem-solving? Consider **Odyssey of the Mind.**

Odyssey of the Mind (OotM) is an international educational program that provides creative problem solving opportunities for students from kindergarten through college. Each team is comprised of up to seven students and one volunteer parent coach. Teams select one of the five problems to solve and compete against other teams.

Each year, multiple Moraga teams participate in the regional tournament, and one or more teams usually make it to the World Tournament. Moraga teams are sponsored by Moraga Rotary.

To learn more about the program, gather prospective teammates and parent coaches, attend an **informational meeting** at the Moraga Public Library, 1500 St. Mary's Road on Wednesday, September 14, 2022 from 7:00-8:00 pm . Visit the Moraga Odyssey of the Mind website (<http://moragaodysseyofthemind.com>), the official Odyssey of the Mind website ([http:// www.odysseyofthemind.com](http://www.odysseyofthemind.com)), or the regional website ([www.norcalodyssey.org](http://www.norcalodyssey.org)) for more information.

If you are unable to attend the meeting, would like more information, or have any questions, feel free to contact Student Leaders (Grace Franklin and Shiraz Zahoori) at [moragaootm@gmail.com](mailto:moragaootm@gmail.com).

DISCLOSURE: This is not a Moraga School District endorsed or sponsored event.
