

Introducing RVC Family Connection

River Valley Christian School is a brand-new community full of possibility, and RVC Family Connection is an exciting opportunity to help shape what that community becomes. This is a chance to build something together from the ground up — real friendships, a strong sense of belonging, and a culture where every family feels at home.

This is a parent-led team, not another program to manage. It isn't a fundraising arm of the school, and it isn't meant to add one more thing to your plate. It's simply a group of parents working together — alongside our teachers and staff — so that every RVC family feels known, welcomed, and connected.

OUR FOUR AREAS OF FOCUS

CONNECT

How can we help families know one another?

SERVE

How can families come alongside the school?

ENCOURAGE

How can we bless the people who serve our students?

CELEBRATE

How can we enjoy the RVC community together?

HOW YOU CAN BE PART OF IT

We're forming a small Family Connection Team this fall — a handful of parents sharing the work of welcoming new families, planning gatherings, encouraging our faculty and staff, and celebrating this new community we're building together. No experience needed, just a willingness to help RVC feel like home for every family.
