Jubilee Detroit is proud to announce that 21 New Americans have successfully completed six classes in our food industry training program. These dedicated students are now ready to begin the internship portion of their training, where they will gain valuable hands-on experience to launch their careers in the culinary field.

As part of their internship, every Thursday and Friday from 11 a.m. to 1 p.m., students will be selling their authentic cuisine from our food truck. This on-the-job training will allow them to showcase their culinary skills while sharing their cultural flavors with the community.

Take a lunch break and come to Old Western Market for a tasty treat, all while supporting our students. Every week will feature different menu items, giving you the opportunity to taste food from all over the world.
