

LISTENING AND HUMANIZING IN A DIVIDED WORLD

We find that we are more divided than ever, and having a hard time hearing and understanding each other. We are bringing together community members to talk about our experiences, hopes, and frustrations with the state of our country today.

We are not trying to change anyone's mind, but to listen and empathize with each other.

**WEDNESDAYS, 6 - 6:30PM : JAN 14, JAN 28, & FEB 11
HOLY TRINITY - LIVONIA, MICHIGAN**
