

Delgado Medical Consulting

www.delgadomedicalconsulting.com

These days, small and medium-size businesses need expert medical director advice to stay efficient. We have customized solutions to keep you and your staff productive and safe.

Our services include advice and planning regarding:

*Getting your employees back to work safely and efficiently.

*Safe work spaces.

*Meeting county, state and CDC guidelines and orders.

*Evaluating wellness programs.

*Expert medico-legal testimony and declarations.

Our team is experienced, insightful and efficient. We strive to keep you and your employees safe, healthy and productive. Contact us for a consultation:
