

Peoria First UMC invites you to:

6 Ways 2 Praise and VBS are teaming up this summer! We may not be able to host our annual Fine Arts Camp or Vacation Bible School at the church, but we can offer a virtual experience that incorporates elements of both as we explore four different ways we can FOCUS on God: See, Hear, Talk, and Live.

Our FOCUS VIRTUAL EXPERIENCE will help your preschoolers through preteens dive deeper into their faith as they encounter God's word through music, stories, and age-appropriate activities. Since we want the kids to have a blast discovering how to trust in what they CAN'T see by FOCUSing on what they CAN see without overwhelming the parents, we are spreading the experience throughout the summer. Every Wednesday from June 17 through August 5, we will offer a new 30-45 minute experience based on the following categories: preschool, K-2, 3-4, and 5-6! The videos are pre-recorded so your family can participate at your leisure!

There is no charge for this Virtual Experience, but registration is required in order to determine the needed supplies. All supplies that parents do not already have on hand will be provided. We will email supply pick up days and times after registration closes for each session. You can register your child for the entire summer or for each 2 weeks session before the due dates listed below!
