

LINDEN STREET UNDERPASS

CLOSED LATE JUNE 2022

As part of the project to improve I-84 between Caldwell and Nampa, the Idaho Transportation Department is replacing the Linden Street interstate bridge. Construction will require the Linden Street underpass to be closed starting late June till Late 2022. A detour will be in place.

SUMMER 2022 TO LATE FALL 2022

Linden underpass closed while crews demolish and build the bridge.

LATE 2022 TO EARLY 2023

Linden Street intermittently open.

DETOUR

A detour will be put in place to help motorists reach their destination.
