

I-84 CENTENNIAL WAY FRANKLIN ROAD

NEW EASTBOUND I-84 LANES WILL OPEN THIS WEEK!

Eastbound I-84 traffic in Caldwell is moving onto new permanent lanes!

Crews will shift traffic from the center of the interstate onto the new eastbound lanes between Centennial Way and Franklin Road, including the new side of the 10th Avenue Interchange bridge.

To complete the traffic shift, three eastbound ramps will close overnight on Friday, Oct. 9.

Here's what to expect:

- The 10th Avenue and Franklin Road eastbound off-ramps will close.
- The 10th Avenue eastbound on-ramp will close.
- The ramps will close overnight on Friday, Oct. 9 from 10 p.m. to 6 a.m.
- Motorists must exit early at Centennial Way (Exit 27). If you miss this exit, you will need to continue to Karcher Road (Exit 33) in Nampa. [View the detour map.](#)

Only one night of multiple ramp closures is needed to complete the traffic shift. Thank you for your patience as crews bring the project closer to completion!

Plan ahead, slow down, and pay attention!

What's happening in the work zone is interesting and it can be tempting to look while driving by. Do your best to minimize these distractions and stay alert. Check out the [project website](#) and our [monthly update videos](#) to see what crews are up to!
