Watch out for multiple daytime closures on 10th Avenue under I-84 between the interchange ramps next week!

These closures will allow crews to install utilities underneath the interchange bridge.

Here's what to expect:

- 10th Avenue will close Tuesday, June 16 through Thursday, June 18.
- 10th Avenue will close each day at 6 a.m. and re-open at 4 p.m.
- Access will remain open for pedestrians and bicyclists.
- Motorists will detour to Centennial Way. View a detour map.

Plan ahead, slow down, and pay attention!

What's happening in the work zone is interesting and it can be tempting to look while driving by. Do your best to minimize these distractions and stay alert. Check out the project website and our monthly update videos to see what crews are up to!
