I-84 CENTENNIAL WAY FRANKLIN ROAD

Free-running right-turn lane closure (Feb. 9–13)

The free-running right-turn lane from 10th Avenue to the I-84 eastbound on-ramp will **close** next week (Feb. 9-13). This closure will give crews the space they need to run new wiring under the road for the traffic signal. See what to expect below.

What to expect:

- The free-running right-turn lane from 10th Avenue to the I-84 eastbound on-ramp will close Monday through Friday, Feb. 9–13, from 7:30 a.m. to 5:00 p.m. each day.
- 10th Avenue will remain open with one lane in each direction between the interchange ramps.
- Motorists can still access the on-ramp by making a standard right turn at the traffic signal.

Please slow down and watch for crews and changing traffic patterns in the work zone.

Plan ahead, slow down, and pay attention!

What's happening in the work zone is interesting and it can be tempting to look while driving by. Do your best to minimize these distractions and stay alert. Check out the **project website** and our **monthly update videos** to see what crews are up to!
