CORRIDOR

KARCHER INTERCHANGE

ITD is making plans to expand the Karcher Interchange in Nampa. These changes will improve safety and alleviate congestion.

JUNE 2022

PROJECT SCHEDULE

WINTER 2021/SPRING 2022

Environmental Re-evaluation

Design begins

SUMMER 2022

Public meeting to gather input on design

WINTER 2022/2023

Design plans finalized

Purchase right-of-way

FALL 2023

Depending on funding, construction could begin

LEADING IDAHO PROGRAM

The Karcher Interchange project is part of Idaho Governor Brad Little's "Leading Idaho" transportation funding solution. This allows ITD to make investments in critical corridors to modernize the transportation system, improve safety and reduce congestion.
