

Nighttime I-84 closures ahead (March 7-11)

Closures will occur starting this weekend while crews shift traffic on I-84 underneath the Karcher Interchange. These closures will allow crews to create a safe work zone to add the new pier.

Here's what you can expect:

- Single lane closures on I-84 Fri., March 7 (10 p.m. - 5 a.m.)
- Full westbound I-84 closure Sun., March 9 (9 p.m. - 5 a.m.)
 • [Click here for detour](#)
- Full eastbound I-84 closure Mon., March 10 (9 p.m. - 5 a.m.)
 • [Click here for detour](#)
- Single lane closures on I-84 Tue., March 11 (10 p.m. - 5 a.m.)

This work is weather dependent and the schedule may change.

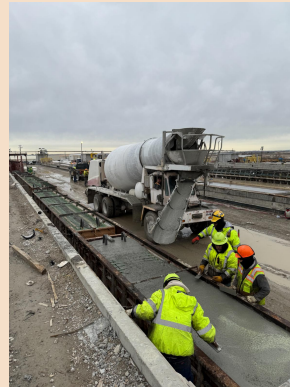

10th Avenue will close Saturday, March 8

On Saturday, March 8, 10th Avenue will close under I-84 so crews can safely place girders for the new interchange bridge.

Each girder is 140 feet long and will help support the bridge deck.

Here's what you can expect:

- 10th Avenue will close all day on Saturday, March 8 from 6 a.m. to 6 p.m.
- Traffic will detour to Centennial Way.
[Click here to view a detour map.](#)
- Shuttle buses will be available to transport pedestrians and bicyclists on each side of the interchange. [Click here to view a map of pick-up and drop-off locations.](#)

Join us live on Facebook on Saturday morning to ask questions and watch the girder placement!

Plan ahead, slow down, and pay attention!

What's happening in the work zone is interesting and it can be tempting to look while driving by. Do your best to minimize these distractions and stay alert. Check out the [project website](#) and our [monthly update videos](#) to see what crews are up to!
