

# I-84

## CORRIDOR

# KARCHER INTERCHANGE

Reconfigure westbound off-ramp to add a free running right.

Reconfigure eastbound off-ramp to eliminate the free running right and add additional right and left turn lanes.

Adding a dedicated right turn lane at the intersection of Karcher Road (SH-55) and Caldwell Boulevard.

Adding a pedestrian flashing beacon at the I-84 eastbound on-ramp.

Widening the interchange bridge to accommodate the additional lane.

Adding a 3<sup>rd</sup> westbound lane from the westbound off-ramp to Sundance Road.

Adding new side path from Caldwell Boulevard to Middleton Road.

Repaving Karcher Road (SH-55) from the westbound on-ramps to Middleton Road.

ITD has started construction on the I-84, Karcher Interchange in Nampa. These improvements will improve safety and improve traffic flow. Work is expected to finish in Fall 2025.

## WHAT TO EXPECT:

- All lanes will be open during the daytime
- Major work will take place at night from 10 p.m. to 5 a.m. with one lane open in each direction on Karcher Road
- Overnight closures on I-84 for traffic shifts, bridge work and girder placement
- Bike lanes and sidewalks in the project area will be detoured
- Access to businesses will remain open
- Speed limits will be reduced at night
