

FREE Oral Cancer Screening

April is oral cancer awareness month

According to the Oral Cancer Foundation, oral cancer accounts for more than 9,000 deaths per year in the USA. Early detection can double a patient's survival rate from 40% to 80-90%.

Please join us for your free oral cancer screening.

These visual screenings take only 5-7 minutes and are done by oral cancer specialists.

No appointment needed, walk-ins are welcome.
