Many people who live with a mental illness struggle to find and maintain safe, accessible, affordable housing. Access to housing is key to maintaining recovery. This virtual forum will explore opportunities to expand access to housing, tenant rights including disability related accommodations, and resources to support consumers with maintaining housing.

OPENING SPEAKER: Housing Opportunities and Innovations:

Andy McMahon, Vice President of Health and Human Services Policy at UnitedHealthcare Community & State

Prior to joining UnitedHealthcare, Andy worked at the Corporation for Supportive Housing (CSH) for 15 years, most recently as the Vice President for Policy and External Affairs. At CSH, Andy led an array of national, state, and local efforts to align systems and integrate resources to create supportive housing opportunities for vulnerable populations. Andy will address policy opportunities to expand access to housing and related supports.

Housing Rights

Monica Murphy, Managing Attorney Disability Rights Wisconsin

Finding housing that is affordable, available, and accessible is often difficult for people with disabilities. It's important to understand your housing rights, the different programs that may be helpful to people seeking housing, as well as options for modifications to provide accessibility. Attorney Monica Murphy will address housing and tenant rights, including disability related legal protections and accommodations.

COMMUNITY VOICES: Breakout discussion session

Participants will attend a breakout session for dialogue on community needs. Each session will feature a community speaker with an important perspective on housing: peer specialist, case manager, housing division, and shelter network. Community speakers will share their perspective on housing – challenges and opportunities, followed by facilitated group discussion. Breakout groups will report out with their recommendations, which will provide the start of an action plan for the Task Force.

Presentation of the 7th Annual Karen Avery Award & Marie C. Perry Rising Leader Award

Karen Avery Award:

Annually recognizes an individual whose work and values align with the legacy of Karen Avery, who was an outstanding advocate, mentor, peer, friend and leader in the fight for disability rights. As Associate Director of IndependenceFirst, she was a respected leader in the mental health consumer/survivor movement in Wisconsin and nationally, tirelessly advocating to advance the rights of people with mental illness and ensure a strong consumer voice. After Karen's passing in 2013, the Milwaukee Mental Health Task Force established this award to honor her important and enduring legacy.

Marie C. Perry Rising Leader Award: Inspired by the dedication of our inaugural recipient, the Marie C. Perry Rising Leader Award honors Marie's memory and recognizes visionary leadership by an individual who is a rising and/or young leader in the Milwaukee area mental health community.
