 - [A year in review full presentation](#)
 - MCSAP is going through a rebrand. Come 2023 we will be known as R.I.S.E. (Resources for Inclusive Substance Education) Drug Free MKE. During our September coalition meeting it was determined that the proposed mission statement was too lengthy. Putting all suggestions into consideration, the Executive Committee was able to shorten the mission statement to the two options below for voting. **Please select your preferred mission statement and email to MCSAP Coordinator, Ismael Luna at iluna@communityadvocates.net:**
 - **V1.** RISE Drug Free MKE is a Coalition that exists to raise awareness on substance (mis)use, and, through inclusive education, elevate our entire community out of the harms caused by substance (mis)use, especially our youth.
 - **V2.** Our coalition exists to raise awareness to elevate youth in Milwaukee County through education, and to lift the entire community out of harms caused by substance use. With our coalition partners we will RISE to provide youth Resources for Inclusive Substance Education. RISE is more than a name it is a call to action, and a promise of the direction we're moving in as a community, together.

MCSAP Mission: MCSAP is a diverse coalition of Milwaukee County partners who prevent and reduce substance use and misuse

- Along with the rebrand, MCSAP will be undergoing a new strategic planning process for the years 2023-2026. Please be aware and be ready to support this process
- **Data & Evaluation Workgroup:** Please begin to think about the type of data (both quantitative and qualitative) that you believe would be helpful for the team to provide you in order to increase your capacity to address community concerns as an individual organization and as a coalition. Please be on the lookout for MCSAP End of Year Evaluation. *If you are interested in joining this workgroup, please email Nicole Fumo at nfumo@mcw.edu*
- **Mental Health & Wellness Workgroup:** Please begin to think about what programs/strategies we can use to improve the mental wellbeing of our youth in the year(s) ahead. *If you are interested in joining this workgroup, please email Gloria Marfo at gmarfo@communityadvocates.net*
