One was  
an innocent bystander.

One was  
a beloved mother of two.

15 were female.

5 were male.

The youngest was  
one-year-old.

The oldest was 63.

Four were teenagers  
who were members of  
the same family.

One left behind  
a four-year-old daughter.

One was  
a pastor.

One was  
shot in broad daylight  
outside of their  
place of employment.

A woman's face is shown in profile on the left side of the image, looking out a window. Her hand is resting on the window frame. The background is a bright, out-of-focus window.

To all those we have lost  
to domestic violence this year,  
we remember.

Our community is experiencing a tragic surge  
in domestic violence during an already  
challenging and difficult year.

We have lost many members of our community  
to this devastating issue, including too many innocent children.

Please help us provide safety, support, and healing  
to all of the individuals and families affected by  
domestic violence by making a generous gift today.

The Milwaukee Women's Center remains on the front lines  
to respond to crises, provide emergency assistance and shelter,  
and intervention and prevention education  
to break the cycle of abuse.

Your donation will save lives!

Thank you for your kindness and compassion!
