

Protective Factors Training

FREE

BRINGING THE PROTECTIVE FACTORS FRAMEWORK TO LIFE IN YOUR WORK

If you are a family service provider, this training will enhance your efforts to partner with parents and see families from a more positive, strengths-based perspective. Extensive research about the five Protective Factors has shown that using this framework:

Makes families stronger • prevents child abuse and neglect and • enables families to care for children in ways that support their healthy development and well being.

TRAINING DETAILS

	OCT 11 Introduction <i>Learn why this approach is so effective and how the framework will support the work you are doing to help families meet their goals.</i> Concrete Support in Times of Need <i>Everyone needs help sometimes</i>
	OCT 23 Parental Resilience <i>Building strength and flexibility</i> Social and Emotional Competence of Children <i>Giving children the words they need to express their feelings</i>
	NOV 01 Knowledge of Parenting and Child Development <i>Parenting is part natural and part learned</i> Social Connections <i>Parents need people</i>
